RESOLUTION APPROVING THE FILING OF THE REGIONAL BICYCLE/PEDESTRIAN PROGRAM GRANT APPLICATION FOR CITY CONTRACT NUMBER 433 – U.S. HIGHWAY 101 BICYCLE/PEDESTRIAN BRIDGE PROJECT IN THE AMOUNT OF \$1,000,000

Honorable Mayor and Council Members:

Summary

Staff is seeking approval from City Council to apply for a Regional Bicycle/Pedestrian Program (RBPP) grant in the amount of \$1,000,000 to fund construction of the U.S. Highway 101 Bicycle/Pedestrian Bridge Project. The RBPP application is due to City/County Association of Governments of San Mateo County (C/CAG) on January 6, 2006.

Background

Construction of a bicycle and pedestrian bridge over U.S. Highway 101 is one of the City's priority projects. The project design is now complete and the City will be ready to invite bids for construction as soon as it obtains sufficient funding commitments. Public Works projects of this size are typically funded from several sources, drawing primarily from federal and state grants. The City's strategy for this project is to identify all appropriate grant opportunities and apply for grants as they become available. The City will not commit its own construction funding until such time as it accumulates sufficient grant funding to complete the project.

The current estimate for the bicycle and pedestrian bridge is \$5.5 million for construction and construction management services. The City has secured the following funding:

<u>Secured Funding Sources</u>	<u>Amount</u>
• Bicycle Transportation Account (BTA) FY 01/02	\$ 585,000
• Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)	\$2,600,000
• City funds	<u>\$ 400,000</u>
Total	\$3,585,000

<u>Pending Funding Sources</u>	<u>Amount</u>	<u>Status</u>
• Bicycle Transportation Account (BTA) FY 06/07	\$1,250,000	Application pending
• Regional Bicycle/Pedestrian Program (RBPP)	<u>\$1,000,000</u>	Application due 1/6/06
Total	\$2,250,000	

Staff is watching for other funding opportunities and will recommend applying for them when they become available.

Discussion

C/CAG has announced that RBPP funds are available for San Mateo County bicycle and pedestrian projects. The RBPP will provide approximately \$2.5 million to San Mateo County agencies through a competitive process. The maximum amount that RBPP will grant to any single project is \$1,000,000. Awarded funds are subject to federal rules and guidelines requiring a minimum local match of 11.47 percent from other sources (i.e., from other grants and/or City funds).

Belmont's Bicycle and Pedestrian Bridge is eligible for this grant because it provides access to regional transit, activity centers, and schools, and is the #3 priority project identified in 2000 San Mateo County Comprehensive Bicycle Route Plan. Staff will attend a mandatory workshop on November 30 to gather further information regarding grant money obligation and project completion schedule. The deadline for application to C/CAG is January 6, 2006.

Fiscal Impact

There is no direct fiscal impact from Council's approval of the RBPP grant application. Staff is watching for other funding opportunities and will recommend applying for them when they become available. Once the City has obtained sufficient grant funding, staff will recommend that the City commit its own matching funds for construction of the project.
